

# ABOUT THE RETREAT

Salt and Light Retreat is a weekend retreat hosted by the Interschool/Intervarsity Christian Fellowship of the Cayman Islands (ISIVCF KY). The retreat invites students ages 9-17 to encounter God over 2-nights and three-days of fun, safe and transformative activities. Held at the Prospect Youth Centre the retreat will incorporate both indoor and outdoor activities traditionally associated with the camp and retreat environment.

Students will pull away from the busyness of school, extracurricular activities and family life, and remove the distractions of social media and television so that they can focus on deepening their relationship with the Lord.

The retreat also provides a connectional encounter where students will fellowship with other students both from affiliate ISCF clubs and youth groups from all over Cayman.

The theme for Salt & Light retreat is "Living as Salt and Light in A Godless World" and it is based on Matthew 5:13-15.

Our motto is "to know Christ and to make Him known" and over the course of this retreat, we will see students grow in deeper knowledge of Jesus, so that they can be effective witnesses of Christ, which extends to every area of their lives.

# WHY CHOOSE SALT & LIGHT RETREAT?

ISIVCF has been in existence since 2013 and has engaged in campus ministry consistently, pioneering student ministry in high schools in Cayman. We currently operate in seven schools, partnering with Christian clubs to promote a safe place for students to encounter Christ in community. We are a member of the International Fellowship of Evangelical Students (IFES), which comprises over 160 countries and over 150,000 students worldwide. We aspire to see students raised up as strong Christian witnesses in their homes, campuses, churches, and communities in Cayman.

Our retreat leadership comprises an intergenerational team of adult professionals and students who are passionate about student ministry and want to be used by God in His work in the Cayman Islands. The team includes teachers, students, missionaries, pastors, guidance counselors, certified psychologists, lecturers, business owners, and medical professionals, to name a few. As we planned this retreat, each aspect has been prayerfully soaked in prayer.

People who spend time at ISIVCF events are well-impressed and pleased by the student-focused and student-led environment.
