GREETINGS FROM JONATHAN LAMB

Greetings, dear friends! It's a great pleasure for me to send warm greetings to you as you celebrate your third AGM – congratulations, and I do hope the event goes well!

It was a privilege for me to visit you when I was in Cayman earlier this year, and it was a pleasure to meet Darlene, Noel and Jonathan, and also to visit one of your lovely school groups. Thank you for looking after me when I was with you! When we were together you mentioned your hopes of welcoming a staff worker in due course, and so it is a particular joy to know that Latavia has now arrived to strengthen the team! And our small prayer group here in Oxford - and I know also within the family of IFES – we're so thankful for tor the way in which the work in Cayman is growing and increasing in terms of resources.

I wonder if I could greet you with a word of encouragement from 2 Corinthians, which is one of my favourite letters in the New Testament. The reason it is a favourite is that 2 Corinthians is a great encouragement to hard-pressed Christian workers. In fact, Paul says something significant in 2 Corinthians 4 as he writes about the gospel, the treasure that is within us. And he talks about sharing that treasure, but with an awareness of his own weakness.

Perhaps you also feel that weakness – we may not have many resources, we may not have many people, we might not have much wisdom! But there is one big advantage in these weaknesses, Paul says, and here it is in 2 Corinthians 4 verse 7: '*But we have this treasure in jars of clay to show that this all-surpassing power is from God and not from us.'*

Paul is saying that our weakness is the opportunity for God's power to be displayed. So that when something happens – when people come to faith in Christ, or when a young person's life is changed, everyone will know that it is not down to the strength of IVCF, or the strength of our personality; it is down to the gospel, to the treasure, to God's power at work.

There are wonderful advantages in being weak. You can also read in 2 Corinthians 12 of the way in which Paul underlined that being weak was the opportunity to experience God's grace.

May I encourage you, then, to press ahead in your ministry in Cayman, knowing that weakness is the best way to serve the Lord. It's the occasion to see God's power and God's grace at work. And therefore, in the light of that wonderfully encouraging truth, we don't give up! If you look at 2 Corinthians 4:1, which begins this little section, Paul says: '*We do not lose heart.'*

Let's not be discouraged, let's not throw in the towel, but let's keep going in spreading the good news of the gospel - the treasure, the story of our Lord and Saviour Jesus Christ - amongst the young people in Cayman, but also – in fellowship with IFES – amongst young people all around the world.

God bless you and strengthen you in this ministry!
Jonathan

Former Regional Secretary, Europe & Eurasia; former Associate General Secretary, and IFES Vice President.

GREETINGS FROM TOMY WILKERSON

To InterSchool/InterVarsity Christian Fellowship of the Cayman Islands,

It is surreal to think that this December will be four years since my wife and I returned to the United States. As sudden and unplanned as our departure was, I recall feeling that the movement will ultimately be better for it. We had become a registered nonprofit in Cayman, we were in the process of being officially recognized by the International Fellowship of Evangelical students, and though there was still a tremendous amount of work to be done, we had done what we set out to do.

Still, I couldn't help but wonder what would become of the movement. It was still a baby with all the fragility that marks that time. To the credit of the board, they stepped in and saw the movement through one of the most sensitive transitions an entity can face. Since then, I have watched from afar as my initial hunch was proven correct: IS/IVCF Cayman is stronger today than it was four years ago.

Lately, I've been transfixed by the idea that we can only receive what we are given from heaven (John 3:27). Perhaps because when I think about our time in Cayman, that feels appropriate. It's not so much that my wife and I started anything as much as we received what God had for us. You all were that gift, and to this day I am grateful to God for it. Like Paul, "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus…" (Philippians 1:3-6).

The past couple years have not been without its surprises or challenges. I would like to express my sincere gratitude for Sis. Monishka Hall and the indelible mark her leadership has had on the movement. It is not easy to leave behind the comforts of home, but she did it and did it phenomenally. I would also like to express my excitement for Ms. Latavia Henry. I have always felt that the ministry needed someone with experience to get it to its next stage of development. I believe she is that person for such a time as this. I continue to be thankful for the commitment of the board. I know it's a lot to carry - probably more than you initially signed up for - but you have persevered, and I believe there is a crown of victory that awaits you all. My prayer for you is that you would "not become weary in doing good, for at the proper time we will reap a harvest if we do not give up" (Galatians 6:9). The Lord knows your deeds and sees your work. Greater things have yet to come and are still to be done.

Paul concludes his prayer to the church in Philippi and I'll conclude this with it, "And this is my prayer: that your love may abound more and more in knowledge and depth of insight, so that you may be able to discern what is best and may be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ—to the glory and praise of God." (Philippians 1:9-11).

May the Lamb receive the reward of His suffering.

Yours in Christ,

Tomy Wilkerson

BOARD CHAIR'S REPORT

Darlene Anderson

In Pursuit of God's Mission

A very warm welcome to everyone to IS/IVCF's third Annual General Meeting! Once again we are here to feast on the riches of His grace and unending mercies for the past year as well as to share with you the hopes and dreams for the future of this ministry.

Last year, 2021 was a time of great instability in our world and ministry.

During the school year 2021-2022, Sars-Covid 2 was still on the rise. The opening and closing of schools were uncertain. Due to the unpredictable schedules, most of our club meetings transpired virtually. From the comfort of our homes, we conducted our virtual 2nd Annual General Meeting on October 30, 2021 and our Prayer Breakfast on February 19, 2022.

The absence of a Staff Worker from August 1, 2021 until May 23, 2022 was a blessing in disguise. Most schools did not allow visitors and the staff would not have had access to the clubs anyway. This time also gave the Board of Directors the time to journey with God in prayer – asking and relying on Him for His direction and guidance. It also allowed the movement to build its resources in preparation for the financial responsibilities of having a full-time staff. Thank you to those who continued to give during those times.

God sustained our various clubs through our resolute club advisers and students who rose to the challenges and persevered to meet either virtually or face-to-face amidst the chaotic conditions. The struggles were very real physically, mentally, emotionally, intellectually, and spiritually. "Zoom and Google Meet" came to the rescue. These virtual meetings somehow provided avenues for prayers and fellowships boosting our students' spiritual health.

When the schools re-opened, face-to-face meetings resumed at John Gray, Clifton Hunter a,nd Triple C but it remained a challenge for Layman Scott, CIFEC, and UCCI.

Our volunteer, Mrs. Sheena Robinson-Pryce visited the various schools whenever it was possible and shared with them the word of God. We are most grateful for Sheena's dedication to the ministry and continued support of the work in the interim we were without a staff.

Our reliable God who called us to this ministry kept us through the storms and kept us going.

This year 2022 is a time of progress and pleasant surprises in our ministry…

First of all, we are happy to announce that we are now in good standing with General Registry, Dept. of Commerce and Investment and Workforce Opportunities and Residency Cayman as a Non-Profit Organization. This took us several years of working out and complying with the government's legal requirements.

Secondly, IS/IVCF ministry now has a full-time IS/IVCF Staff Worker, the fruit of much prayer and rigorous screening. We had eight (8) applicants. One was a local Caymanian who subsequently retracted his application due to another job opportunity. On May 24, 2022, Latavia Henry-Campbell flew from Jamaica to take up God's call in the Cayman Islands. IS/IVCF work has been dear to her heart since she got involved in her school's ISCF club. She never got out of the loop since then. In fact, her involvement and responsibilities became broader and greater as she made herself available to the ministry year after year.

Repeatedly Latavia has expressed her awe at God's call on her life. These past months, she has spent time knowing this country and its wonderful people as well as getting ready for the school ministry. Thanks to all who made her feel welcome and helped her transition quickly in her new home and gave her Cayman water to drink.

Sometime in June, we received an offer…. an office space! It has been our desire and prayer to have an office but one we thought we would put on our wish list. To be offered during this time when it is so difficult to find good spaces, was indeed a pleasant surprise. The surprise was even greater as we also gained the use of the Board Room. As of July 11, we are officially located at Prospect Youth Center, 292 Shamrock Road. To God be the glory, great things He has done.

We convey our deep gratitude to Rev. Dr. Yvette Noble-Bloomfield and to the United Church, Cayman Islands Council for graciously offering and allowing us to share this office space and more. We believe that God has provided all of these because He is equipping us for the greater and exciting work ahead.

Time of Thriving Together 2022 to 2030

Our umbrella organization, International Fellowship of Evangelical Students (IFES) has come up with this theme "Thriving Together 2022 to 2030" and challenges each member national movement to embrace and contextualize...

> *"One of the most beautiful images in the Bible is the thriving tree in Psalm 1, which bears fruit season after season and has leaves which never fade. The tree is thriving because it is planted in a good place, its roots fed by streams of life-giving water. - Tim Adams (IFES Gen. Sec.)*

Like the tree in Psalm 1, ISIVCF Cayman and along with other IFES movements are intentionally rooted in God's word. Our hope for the years ahead is that, as we continue to draw from these life-giving roots, God will help us to thrive together."

Thriving Together: Four Strategic Priorities

1. **Thriving in Witness**
   We want to see students as witnesses to Jesus Christ, proclaiming the kingdom of God and showing relevance of Jesus to all areas of school and university life.

2. **Thriving in Whole-Life Commitment**
   We want to see students growing as disciples of Jesus Christ bearing fruit as they integrate their faith with every area of life, learning to lead in their communities and standing for Jesus in challenging contexts.

3. **Thriving on New Ground**
   We want to see vibrant new student groups on campuses and in locations where there aren't any and give support to revitalize groups and movements, working in partnership with others.

4. **Thriving into the Future**
   We want to see a healthy network of resilient movements showing Christian integrity and accountability so we can continue our calling among the next generations of students.

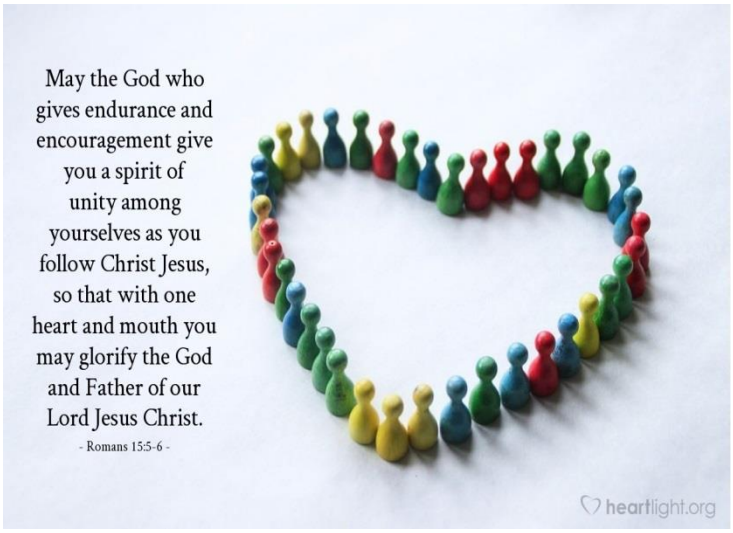
God has placed in us a network of gifted people, churches and other non-profit groups with the same mission and vision and are ready and willing to step up to the plate. I pray that God will illumine us to see effective ways to work together and see this movement flourishing and bearing fruit.

Every school club is important. May those clubs that are stable and flourishing remember to pray, visit and support the fledgling ones. We would like to see our students from the various schools come together - sharing, bonding and encouraging each other.

The Board is grateful to every single person who has contributed and supported this ministry in small and big ways from its inception up to the present. We deeply appreciate your partnership, especially your gift of prayers. In return, we also want to pray for you and keep you engaged in our progress and challenges. We are all in this together. If you have not signed up yet, we have sign-up sheets available.

Remember the "I" in the IS/IVCF. Without the "I" it cannot thrive. Without your presence IS/IVCF is incomplete. Without your support, IS/IVCF cannot grow and flourish. So keep praying and keep supporting God's work until every student in the Cayman Islands hears the gospel of Jesus Christ.

> ***"For 'everyone who calls on the name of the Lord will be saved.' How then will they call on Him in whom they have not believed? And how are they to believe in Him of whom they have never heard? And how are they to hear without someone preaching? And how are they to preach unless they are sent? As it is written, "How beautiful are the feet of those who preach the good news!"*** Rom 10:13-15



FINANCE REPORT

Treasurer's Report

For the period ended December 31st 2021

IS/IVCF had another successful year in maintaining donations ending December 31st, 2021. There are donors who are very committed and loyal to the growth and support of IS/IVCF and its vision for impacting students in schools. As such this Non-Profit Organization was able to end the financial year with a bank balance in excess of $29,000, which was a 170% growth when compared to the same period ended December 31, 2020.

There was one additional asset added to the balance sheet for the year, this was a brand new mobile phone and case which was generously donated for the use of the Staff Worker.

The organization ended the financial year with an asset value of $40,738 which was an increase of 89% when compared to the same period in 2020.

Our generous donors donated a total of $52,330 throughout the year. A few churches provided support, but the majority of the donations were from individuals.

Here are some of the highlights of 2021 as it relates to expenses:

January 2021 – van donated to IS/IVCF for staff worker use, van required some maintenance work, license and insurance. Total motor vehicle expense for the year was $3,429.56

February 2021 – Discipleship weekends with students - $132.00

March 2021 – Community Outreach in Watlers Road. Students delivered hot soup and rolls to residents in the community and offered to pray with them - $511.09

April 2021 – Board training conducted throughout the year, at UCCI and on zoom by IFES $451

May 2021 – Salt n Light Student Retreat held at the Prospect Youth Centre, well attended by students from several different schools including Layman E Scott High School in Cayman Brac -$2,457

June 2021 – Alumni Boat Cruise was exceptionally well attended by supporters and members of the organization - $1,428.00

July 2021 – End of Year celebrations $400

August 2021 – Staff worker resigned, and activities were reduced as the recruitment process began.

Other noteworthy impactful events that took place in 2021 were donations distributed to a local student who was diagnosed with cancer; donations were collected from students and members and IS/IVCF sent funds to St Vincent ISCCF which were directly impacted by the Le Soufriere volcano eruption.

IS/IVCF was able to successfully complete the year with Net Income of $19,194 which was up by 114% compared to $8,988 in the previous year.

For the year 2022, as a preliminary update, this year will also surpass the previous year in terms of donations. Given that the Staff worker did not arrive until almost halfway through the year, expenses as it relates to activities were minimal. Even so, this allowed the organization to grow its donations and by extension the bank balance to exceed $50,000 at one point in the year. IS/IVCF has now acquired an office space at Prospect Youth Centre for which rent has to be paid. But once again the generosity of a donor has graciously paid for the rent of the space for the next 6 months.

The latter part of 2021 and the earlier part of 2022 has allowed IS/IVCF to grow financially and is in a strong position to do the work of the Lord. Now that the Staff Worker has settled in and the new school year is progressing and Covid restrictions have been lifted, IS/IVCF anticipates an active and beneficial remaining 2022 and 2023.

STAFF WORKER'S REPORT

Latavia Henry-Campbell

I assumed the role of Staff Worker for the IS/IVCF movement in the Cayman Islands on June 1, 2022. Prior to my flight from Jamaica to the Cayman Islands, I was able to meet with the former Staff Workers, Monishka Hall-Guemnin Boutchueng and Tomy Wilkerson (who I met at a mission conference back in 2012 in Jamaica), to have an understanding of the status of the organisation and the culture of the students. I also had several conversations with members of the IS/IVCF Board to help me assess where we are and where we would like to go. I then drafted a vision/plan for the organisation which I placed into five (5) main categories:

1. **To maintain the existing groups**

A) *Introduction*

- Send a news release to teachers and other stakeholders about the new Staff Worker.
- Make contact with all the current sponsors and as many support teachers as possible in the month of June 2022. Arrange to have a face-to-face meeting with all who are available to meet.
- Meet Principals and Guidance Counsellors who are available.
- Encourage and assist sponsors to plan a club fair at the start of the academic year to introduce the club to the school community.
- Make plans for the new academic year. Finalize a calendar of events, budget and prepare materials for display tables.

B) *To see increased membership and presence in schools*

- Encourage sponsors to pass on the names of the students who will be transitioning from high school to CIFEC or UCCI.
- Partner with Child Evangelism Fellowship to capture the grade 6 students before they start high school by providing them with brochures about IS/ICVF and also informing the parents about the ministry.
- Visit youth fellowship groups and seek out opportunities to share with students the importance of sharing their faith on campus and how IS/IVCF helps to facilitate that.
- Encourage the groups to conduct class devotions/general devotions each term, if possible.
- Encourage groups to have a spiritual emphasis week each academic year.
- Plan training for student leaders as soon as they are selected.

C) *Build Relationships*

- Communicate with Sponsors and other stakeholders as frequently as possible.

- Visit schools to pray with sponsors monthly.
- Take prayer requests from donors and follow up on the requests as necessary.
- Meet with youth leaders from different churches to explore partnership opportunities.

D) *Increase community awareness*

- Encourage groups to wear IS/IVCF shirts where possible and do other promotional activities.
- Encourage groups to plan an external activity each academic year.
- Visit churches and make requests to do presentations there. Meet with pastors.
- Invite parents, students, Christian teachers (not just sponsors), and Alumni to the Prayer Breakfasts and other events (where possible).
- Seek out new supporters of the ministry while engaging the existing donors.

2. **To see an exponential expansion of the movement**

ADMINISTRATION	TEACHERS	STUDENTS	VOLUNTEERS
Build relationship with Principals, Security Guards, and Administrative Staff, where possible.	Help them see their professions as a platform for ministry.	Focus on leadership development.	Get alumni on board for support development (prayer, finance, time).
Sell the club as a ministry that focuses on leadership development, spiritual upliftment and one that helps to shape the future of the island	Present the opportunity for all Christian teachers to become involved to add to the interdenominational flavour of the ministry	- Bible Study training - Evangelism training - Scripture engagement - Bridge gap between government and private institutions	Engage churches so they can see the opportunities for partnership and kingdom building
Visit other schools and try to launch an IS/IVCF group there.	Visit schools monthly to provide support to Sponsors, engage students and assess progress of groups.	Organize a national student executive body that will meet to plan virtual or physical national meetings.	Host events to engage alumni.

3. **To see an increased presence in cyberspace**

- Increase social media presence.
- Have 1 or 2 students manage the social media pages.
- Ask students to follow social media pages and ask their friends to do so as well.
- Encourage groups to share their local events on the pages as well as on their personal social media statuses.

- Ask groups to do monthly highlights (can also be individual testimonies) and share them on the social media pages and also circulate via Whatsapp.

- Develop the ministry's website.
- Take advantage of virtual platforms to host meetings where physical meetings are not possible.

4) **To see an established office for the ministry**

- Provide a base for current and future staff.
- Create a resource centre for students and sponsors.
- Utilize office for events such as:
    - sponsor training
    - student leader training
    - volunteer meetings
    - prayer meetings
    - board meetings
    - counselling sessions with students
    - annual General Meetings
    - small social events
- Add office address to business card and ministry website.
- Create a small library with a collection of leadership/spiritual books in the office that students and sponsors can access.

5**. To see a great revival**

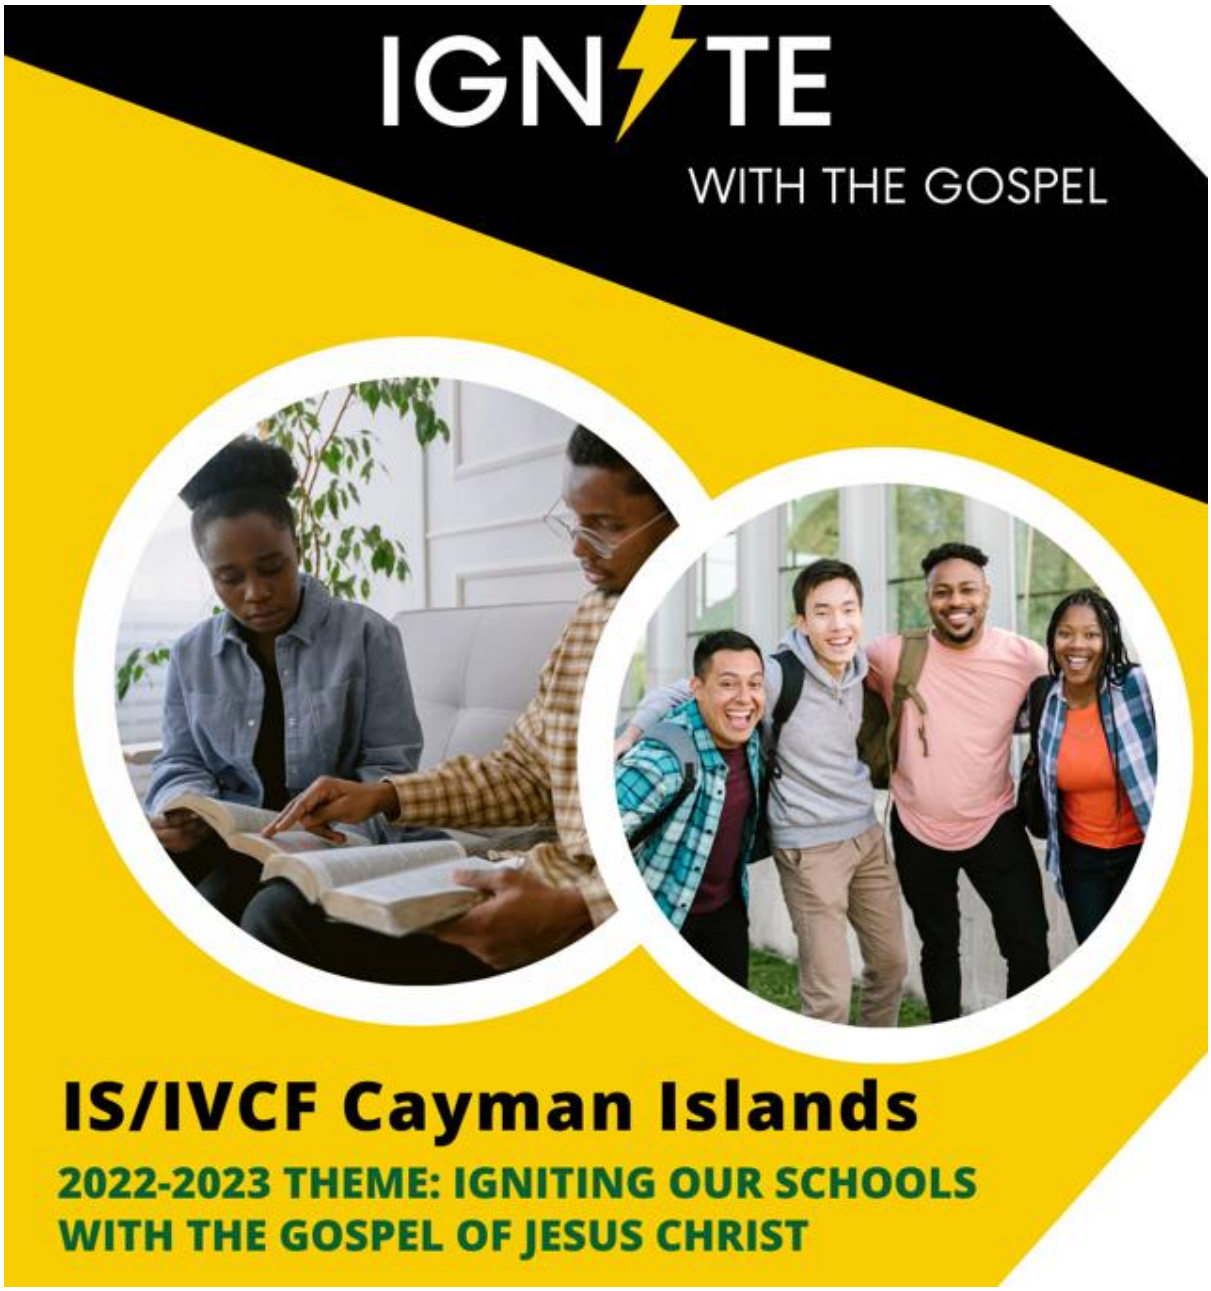
- Students saying "YES" to Jesus
    - Encourage groups to share the gospel in different ways during meetings and extend an invitation to those who would like to become Christians.

- Students making Christ known to their peers
    - Conduct evangelism training with students and also emphasize lifestyle evangelism.

- Students growing in their relationship with God and increasing in their knowledge of His word
    - Encourage frequent Bible Study.
    - Encourage a life devoted to prayer.

- Students taking advantage of virtual platforms to expand the evangelistic reach
    - Help students explore ways they can be Christian witnesses using social media.

THEME FOR THE YEAR



Theme Verse: Acts 13:47

For this is what the Lord has commanded us: "I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth."

Several times in the scriptures, we see where living a sinful life is likened to walking in darkness (1 John 1:5-7; 1John 2:9-11). We also see where Jesus is referred to as the Light because of the purpose for which He came to us. In John 8:12 Jesus says that He is the Light of the world and whoever follows Him will also have the light of life. We are living in a world that is filled with people who are living in sin, being controlled by demonic influences and having little or no knowledge of God. Sin has darkened our world.

According to Acts 13:47, believers have been commanded to be a light to the Gentiles so they may bring salvation to the ends of the earth. The sharing of the Gospel is not just the responsibility of pastors and ordained evangelists, neither is it just for those in leadership roles in their churches nor who have been Christians for many years. It is, however, the mandate of ALL believers. Our love for God should fuel our desire to see others come into a relationship with Him.

Many of our young people today do not attend a church, but they spend several years in our educational institutions. Our campuses, therefore, provide one of the greatest platforms for ministry, even greater than a pastor will ever have. For that reason, it is the prayer of IS/IVCF that every Christian teacher and every Christian student will be more intentional about sharing their faith on their school compounds, in their homes, and in their communities by extension. Our proposed focus for the academic year 2022-2023 is Evangelism.

We want our students to be encouraged to share the Gospel with their peers:

Through Bible Study- Look at how the Gospel is presented in different passages in the Bible. One of the most effective ways to share about Jesus is by the way we conduct ourselves. It is very important for us to remember, however, that it is the Holy Spirit that helps us to live lives that reflect Christ. Therefore, in order to be a light to those around us, we must first connect with the source, who is Jesus, by spending time in His word and in frequent communication with Him.

“Your Word is a lamp for my feet, a light on my path” (Psalm 119: 115).

Verbally- The Gospel needs to be shared verbally and intentionally.

"But how can they call on Him to save them unless they believe in Him? And how can they believe in Him if they have never heard about Him? And how can they hear about Him unless someone tells them?" Romans 10:14

Through Conduct- "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith, and in purity." 1Timothy 4:12

"For once you were full of darkness, but now you have light from the Lord. So live as people of light! For this light within you produces only what is good and right and true. Carefully determine what pleases the Lord." Ephesians 5: 8-10

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead, they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven." Matthew 5:14-16

Our children are exposed to all sorts of ungodly things in this world and some of them are also struggling with various kinds of mental health issues, especially as a result of the Covid-19 pandemic. But Jesus is our living Hope and as Christians, we have a responsibility to share this message of hope. If every Christian student begins to light up their schools by intentionally sharing the Gospel of Jesus with their peers, we can experience a great revival and this could have a ripple effect on our communities and the entire Cayman Islands. May the Lord give us all a Spirit of boldness to declare His word and may He draw the lost souls to himself.

REPORT FOR THE PERIOD JUNE 1, 2022 TO SEPTEMBER 15, 2022

IS/IVCF exists in 6 High Schools and 1 university on the Cayman Islands:

- John Gray High School - Focus Club
- Triple C School - YES Club
- Cayman Islands Further Education Centre (CIFEC) - Christ 4 Life Club
- Layman Scott High School - ISCF
- Clifton Hunter High School - ISCF
- Cayman Preparatory and High School - Impact Club
- University College of the Cayman Islands (UCCI) - IVCF

During this period, my focus was really to get to know the island, familiarize myself with the route to each school, meet the sponsors and other stakeholders, visit different churches and build relationships. I was able to visit all the schools, except Layman Scott on the Brac, to meet with the sponsors and I even had a chance to tour some of the campuses. I had the opportunity to share in two club meetings (John Gray and Triple C) before the summer break and since the resumption of school in September, I was able to assist two schools (John Gray and Cayman Prep and High) in setting up booths for their club fair and will be assisting the other schools when their club fair dates have been set. I also got a chance to meet the Principals of Triple C and Clifton Hunter during my visits, as well as the Guidance Counselor at Cayman Prep and High.

In the midst of all my meeting and greeting, I was introduced to Rev. Yvette Noble-Bloomfield by the Cayman Islands Regional Mission Council for the United Church, who asked where the IS/IVCF office is located. I expressed that we did not have an office but it is my vision to have one established while I am on staff. That conversation led to her offering us a space at their Council office at a very small cost. We happily accepted the offer on July 11, 2022 and celebrated an office opening on July 30, 2022. We were able to utilize the office space for our first Sponsors Meeting on September 3, 2022. All except 2 schools were represented.

Most of the summer period was spent having meetings with Pastors, Youth Ministers and teachers just to hear different perspectives on the students of Cayman, what works in terms of ministry, and what can be improved. I visited the following churches: Chapel Church, Savannah United, Light of the World Christian Fellowship and George Town New Testament, East End New Testament, First Assembly Church of God, Cayman Islands Baptist, and Harvest Fellowship Church.

Other activities:

- I met with Dr. Caris Bramwell from Child Evangelism Fellowship to discuss how partnership can be strengthened. I was also invited to share with students during their Good News Bible Club 5-day camp.
- I was able to meet with Mr Roy McGregor and Ms Camile Watt, Youth Ministers at Elmslie United and Savannah United respectively, to hear their perspective on the youth of the island and how ministry is going for them.
- I was invited to speak at the United Church's children's and teens' camps.
- I visited the Supporting Cayman Youth summer camp which is organized by Rev Sylvia Wilks.
- I met Mr & Mrs Saldeba from Family Foundations International and also benefited from their Blessing Generation Virtual Seminar.
- I got a chance to meet up with several Christian teachers during the summer break for lunch, dinner, ice-cream, karaoke and even beach trips. I have also been attending different small group events from different churches such as First Baptist, Sunrise Church, and First Assembly. All of these activities are helping me to adjust to the island and form new friendships.

PRAYER COMMITTEE REPORT

Maureen Robinson

Prayer Breakfast

The activities for the 2021 - 2022 school year got off to a slow start due to the COVID-19 pandemic that was still wreaking havoc among us. Because of this, the Prayer Committee was only able to host two prayer breakfasts in the school year.

The first prayer breakfast was a little challenging because it was via Zoom. The Prayer Committee members, along with Brother Noel Wallace, met to formulate the program and figure out the dynamics of a virtual breakfast that was held on Saturday, February 19, 2022. The program included trivia, icebreakers, prayer, and pre-recorded worship songs by Sister Sheena Pryce. Brother Bernard Turner conducted the devotion and Pastor Bentley Robinson conducted the Lord's Supper. Despite the prayer breakfast being a virtual one, we had a wonderful time in God's presence and no one cared that we went beyond the allotted time. Ms. Sharon Austin from the Layman Scott High School in Cayman Brac joined us and as usual, what she shared blessed our hearts.

The second Prayer Breakfast was held on June 28 at Triple C. School, with some individuals joining via zoom. Our new Staff Worker, Ms Latavia Henry, also joined us and shared her testimony of God's faithfulness in her life. The devotion was led by Pastor Tonya Knight, although we were a small group, we were blessed to be with God's people. We had no doubt in our minds that God wanted us to be there. We concluded the prayer breakfast with a prayer walk around the school.

Prayer Walks

Several prayer walks were done at various schools by the Prayer Committee members, along with the IS/IVCF board members Sister Darlene Anderson, and Brother Carlson Benjamin, and IS/ISVCF prayer partners Sister Paulette Gayle, and Sister Audrey Leahong. Most of the prayer walks were done at Triple C School because we felt a clarion call to intercede for the school, administration, and staff.

On April 7, 2022, Prayer Committee leader Sister Maureen Robinson, was able to participate with Triple C YES Club as they locked hands and hearts together and prayed for the school. Sister Robinson also accompanied the students who visited the classrooms to pray with the teachers and any student who wanted prayer. IS/IVCF Staff Worker, Sister Latavia Henry, and IS/IVCF Board Member, Brother Noel Wallace, were also present that morning and they were very moved by what they witnessed.

Regional and International Involvement

Prayer Committee Leader, Sister Maureen Robinson, continues to lead one of the CARIFES prayer groups, which includes members from different Caribbean Islands. However, it has been difficult connecting with CARIFES members because of time differences, time constraints, and some individuals are no longer a part of the group.

We crave your prayers for guidance for this new school year.

ALUMNI REPORT

Noel Wallace

About the Alumni

The Alumni Network of IS/IVCF Cayman Islands comprise a group of people who love the Lord, support the mission of IS/IVCF, and were previous members of ISCF / IVCF / UCCF or other Christian groups on their high school or university campuses. This group also extends to friends of the ministry who desire to support the ministry.

Review 2021-22

Compared to the previous year, the Alumni had much less ministry activity. This was due in part by the leaving of the staff worker in the previous year and a decline in school ministries. Although we had a volunteer to visit the schools, in October 2021 a Covid outbreak in the government schools caused closure for some time. When schools were reopened, visitors were not allowed on the campuses and several after schools activities and clubs were grossly affected. This continued for most of the academic year.

Although we did not have any Alumni meetings last year, the committee kept the connections going and joined in prayer for a new staff worker.

Since the arrival of the new staff worker, Latavia Henry-Campbell, things quickly picked up. The Alumni, through their chair, supported the staff worker's introductory visits to Triple C school, CIFEC and Cayman Prep & High School in June, 2022. In August the Alumni Committee held a breakfast meeting with Latavia and shared ideas and projections for the upcoming school year, which includes a special event in June 2023.

Since the current academic year, the Alumni has continued to support the staff worker in providing equipment and technical support for school's exhibitions for clubs and extra curricula activities. These include JGHS, CPHS and CHHS. We anticipate participating in See You at the Pole in late September.

Committee
[L-R] Matthew Yates, Dr. Paulette Gayle, Noel Wallace (chair), Sis. Darlene Elequin-Andersen. (Board Chair), Sean Tatum (overseas), Sofia McKenzie (not in pic), and supported by the Staff Worker Latavia Henry-Campbell.

Invitation
The Alumni Network is an integral part of IS/IVCF Cayman Islands, and serves to support the ministry in various ways, including, but not limited to mentorship, resource personnel, volunteers, financial donations, promotion and prayer support. We welcome all those who recently graduated from our colleges, as well as those who are affiliated with IS/IVCF whether directly or by extension such as family links or friends. Join us as we play our part in giving back to our students during these challenging times.

Blessings.

Introducing the Board Members

Corinne Glasgow

After 10½ years as CEO of Cayman's public service credit union, Corinne retired in August 2017. She was successful in growing the Credit Union in asset size, membership, products, and services; continues to volunteer her services to the regional and international credit union movement.

Corinne also worked for the Cayman Islands Government for over 21 years in the capacity of Social Worker, Assistant Permanent Secretary, Manager Public Service Commission, and culminated her public service career as Postmaster General in 1996.

In June 1996, she established her own company – 1st Place Ltd – a human resource training and development consultancy, conducting customer service and supervisory training courses to employees and businesses – to help them to be the best that they can be.

Corinne has a passion for helping people and has always been involved in community affairs in Cayman. She has served on many Government boards and committees; is past President Civil Service Association and its Credit Union Board of Directors; past director Caribbean Confederation of Credit Unions – and is the only Caymanian to have been elected to this august regional body; past Chairman and Leader of the Cayman Islands Girls' Brigade; and past member of the Cayman Islands Prison Ministry and Canaan Land Drug Rehab Home.

Corinne holds a BA degree in Sociology & School Social Work from the University of Tampa, Florida, 1981 where she first got involved in IVCF; and post-graduate studies in Management and Human Resource Training & Development from UWI and Coton House Management Centre in the UK. She has also undertaken numerous credit union and Christian training courses.

She loves travelling, meeting people, and experiencing different cultures. She loves the Lord Jesus Christ and is actively involved in church, missions, & outreach; sporting, cultural, political, educational, social & charitable organizations; she loves running, swimming & cycling; and loves eating, especially mangoes!

She never has a dull moment in her life! She considers herself truly blessed to have had jobs that paid her to do what she loves to do – helping people.

Mrs Beverley Chin-Sinn

I am from Jamaica and before coming to the Cayman Islands, lived in the Bahamas where I taught at Kingsway Academy, a Private Christian School with grades K-12. The Bahamas provided a long enough stop to meet and marry the love of my life, Hugh Chin-Sinn. Since 1988 we made the beautiful Cayman Islands home and began building our family. I am very satisfied being Hugh's wife and mother of two adult children.

I have a Master of Science and a Bachelor of Education Degree as well as a Teacher's Diploma. I worked at the John Gray High School for 18 ½ years in the capacity of Classroom Teacher, Careers Counselor and School Administrator. I was actively involved in the leadership of the FOCUS Campus Ministry for the duration of my time there. The Lord then led me on to First Baptist WEE Care where I served as the Pre-school Director for 9 ½ years and culminated in June 2020. In December of that same year destiny took my husband and me to the USA where we are currently in a phase of transitioning and learning to be a student again.

IS/IVCF is in my DNA. God's greatest gift to me was His salvation at a very early age, His provision of a church family and an ISCF family at my high school. I was kept grounded during my teen years despite not being raised in a Christian family. During the college years I was tremendously blessed to have had an Inter-Varsity Christian Fellowship on my campus as well. Having experienced the joy of Christian community on campus I was committed to "pay it forward', hence my involvement with FOCUS and now as a member of the IS/IVCF Board of Directors, Cayman.

Gillian Bedasse

Gillian Bedasse is the founder of Innovative Imaging & Services; her company helps businesses with digital transformation. She has a BSc. Degree in Computer Science and Electronics from the University of the West Indies and is a certified document management specialist.

Gillian was born in Jamaica; she moved to the Cayman Islands in 1997 when she got married. She enjoys working with and mentoring young adults and has served in varying youth ministries including the School Board, Youth Group, and Children's Church at First Baptist Church Cayman Islands, where she is a member.

Gillian became involved with the IS/IVCF after learning about it while her son was a student at Cayman Prep and High School and began serving on the IS/IVCF board in 2022. As a parent, she believes that every effort must be made to provide the knowledge of Jesus' love and saving grace to all students of the Cayman Islands so that they in turn will share the gospel with their friends, families and others they encounter.

Dr. Arline L. McGill M.B. B.S. D.M. (Psych.)

Formal training – University of the West Indies (Mona); Certificate in Leadership UCCI

Head of Department, Psychiatry and Behavioural Health, Cayman Islands Hospital at the Health Services Authority - current

Dr McGill is a community psychiatrist at heart with a special interest in the development of wellness in youth and the mentally ill.

Head of Lay Counseling Ministry, Sunday School teacher, and youth worker, Agape Family Worship Centre

Deputy Board Chair, Loud Silent Voices (Advocacy group for mental health)

Board Member, IS/IVCF Cayman

Married with three adult children.

Dr Erica Gordon

Erica Gordon, a Jamaican, is an educator who works at the University College of the Cayman Islands. She has served in the capacity as Secretary of the Board since the inception of the established ministry.

She is a member of the Church of God Chapel, George Town where she serves in various capacities.

As the parent of a teenager, she is very interested in this ministry and the charge to help young people experience Christ, develop their relationship with God and then make Him known among their peers.

Cleavy Scott

I accepted Jesus as my Lord and Savior in my teenage years while attending John Gray High School in George Town, Grand Cayman.

Over the years, I have been very active in service to God, particularly as Usher or Chairperson for Ushers and as member of Local Missions team, initially at First Baptist Church, Grand Cayman. My involvement in Christian Ministry has always been as a layperson.

I have worked in the Telecommunication field at Cable & Wireless/Lime/Flow for thirty-three years and for the last seven years I have been working at the Cayman Islands Airports Authority.

My passion is to be obedient to God and to serve Him. I have continued to be very active 'in service' to God at the Cayman Islands Baptist Church as Lead Usher and Member or Chairperson for the Missions Committee for over fifteen years.

My favorite verses for Missions include Matthew 28:18-20. "Then Jesus came to them and said, 'All authority in heaven and on earth has been given to me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age'."

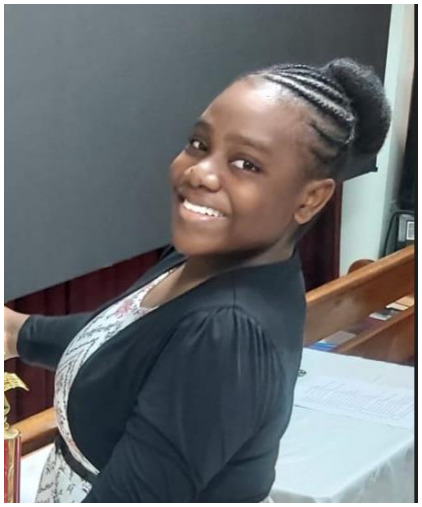
Also, Matthew 25:40 - "The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"

Jonathan Curbello-Rankine – Tertiary level student representative

My name is Jonathan Curbello-Rankine; I was born and raised here on the Cayman Islands. I have lived here for most of my life. My hobbies include playing video games, collecting cards, and watching videos.

My dreams for the future are to go into ministry particularly into the pastoral section and perhaps one day to be the head of a church, whether it's my home or one that I get placed into, that is for God to decide.

In terms of academics, so far, I was the valedictorian of my high school class; I have completed an associate and bachelor's degree in business administration (graduating my bachelors with Summa Cum Laude thanks be to God). Currently I am pursuing a Commonwealth Executive Master of Business Administration (CEMBA) (and am doing well thus far thank God). I have been with InterVarsity since the year 2015 when I met Tomy and he invited me to attend. I was even able, to manage my own small group on the campus for a while. Even though things didn't go as well as I would have liked, (due to a low turnout for many meetings) I did learn a lot about building lessons for a small group setting which helped in my own study of the word as well. Aside from InterVarsity, I intern at my church (Agape Family Worship Center) two days a week. I also work in the church's media ministry as well as teach at Vacation Bible School.



Paige Thomas – Secondary level student representative

I am 17 years old. I am currently in Year 13 at Cayman Prep and High School (CPHS). I have been a Christian ever since I was 3 years old and currently attend the All Nations United Pentecostal Church.

At my church, I am a leader in the Children's Ministry, I sing on my church choir, and work with various planning committees and was the registrar /administrator for this summer's VBS. I am a youth speaker, greeter and a lead announcer and often have the opportunity to sit on various panel discussions. I have been a volunteer teacher in my church's second chance adult literacy programme since 2017.

I have had experience in leadership roles as I was Deputy Head Girl at Theoline L. McCoy Primary School, a Prefect at Clifton Hunter, currently a Sixth Form Prefect at CPHS and have served as Student Council Representative for my form. I am also involved with the Girl Guide Movement and am currently a young leader in training. I sit on the Public Relations Board for my school's Key Club.

In the future, my goal is to be a lawyer with a concentration in family law.

Board Chair - Darlene Elequin-Anderson

Student ministry is close to my heart because I had fond memories and life-changing experiences during my high school and university life.

I said yes to Jesus during Christ Emphasis Week invitation when I was 12 years old and was baptized a few months after. My spiritual journey was blessed with believers in my family, school, church and community.

I was involved with IS/IVCF in the Philippines in various capacities: as a member and student leader in our university; alumni volunteer and sponsor at various schools and finally became a full-time staff worker at the National Office in Manila prior to coming to Cayman.

On my 5th year at the IVCF-Phil. National office, while I was being prepared for a much wider and bigger responsibility, Joseph C. Anderson (now my husband) came to the Philippines to visit the organization of which he was one of the supporters. That's how God initially orchestrated my IVCF ministry to the Cayman Islands ☺.

It has been my dream before I left the Philippines in 1997 to see an IVCF ministry in the Cayman Islands and praise God, this dream has now become a reality.

This is such an honor and privilege to work along with a team who wants to nurture this ministry and to make an impact in the lives of students in the Cayman Islands and beyond.

Carlson Benjamin

Carlson Benjamin hails from the Spice Island of Grenada. He is happily married to Abigail, and they have four beautiful daughters. He has been an educator and youth leader for over 20 years and currently serves as the Elementary Vice-Principal at Triple C School.

He is a John Maxwell Team Member: a certified leadership speaker, trainer, and coach. He desires to add value to others and see the Kingdom of God be established in the earth.

Dr. Allan E Young

Dr. Young was a Professor of Business at the University College of the Cayman Islands (UCCI). He had been working at UCCI since 2006 and held various positions; he retired in July of 2022. Previously, he was Vice Chair and Treasurer of the Board of IS/IVCF.

Dr. Young has had a close connection with IS/IVCF since his early days at the Mannings High School in Westmoreland, Jamaica. While studying at the College of Arts, Science and Technology (CAST) in Jamaica he served on the executive of CAST IVCF. After University, he served on the financial committee of the National Movement in Jamaica where he supported the "project 500" initiative. In addition, Dr. Young served as the first sponsor of an IS/IVCF group at Campion College between 1978 and 1980.

Dr Young presently serves on two other boards, the Northwestern Caribbean Baptist Theological Seminary (NCBTS) and the New Beginning Pentecostal Church in Grand Cayman. Most recently, he completed a Masters in Theological Studies (MTS) from Southwestern Baptist Theological Seminary in Fort Worth, Texas. He has been a Christian for over 43 years and has been a part of the movement for nearly 53 years.

Dr. Young is married to Grace and has two grown children: Joel and Joanna and two grandchildren, Genesis and Alliyana.

Noel Wallace

Noel Wallace is the Music Minister at the Savannah United Church. He is a graduate of Ardenne High School and University of Technology, Jamaica, where he was integrally involved in ISCF and UCCF respectively. He holds a Bachelor of Theology degree from the Jamaica Theological Seminary, Masters in Theological Studies from the Center for Theological Leadership Training (CTLT), and a Diploma in Music from the Jamaica School of Music.

Noel has enjoyed years of spiritual development in the IS/IVCF ministry, attending weekly meetings, camps, conferences, concerts (Sunbeat) etc. It is his desire to network and keep connected with fellow alumni members on island and across the region.

Noel has served at the Savannah United Church for over twenty years in charge of choirs, worship teams and worship planning. He is also involved in missions, evangelism, youth ministries, the After School Programme and several outreach projects.

Noel and his wife Sonia enjoy 37 years of marriage. Their two children, Elysia and Dean-Paul, are both married and Elysia’s daughter, Zahra, is the new addition and a big bundle of joy.

Pastor Andrew Ebanks

Andrew Ebanks is the Lead Pastor at the Agape Family Worship Centre. He was born and raised in the Cayman Islands having a love and passion to serve his community.

Pastor Andrew began serving at the Agape Family Worship Centre in an official capacity in 2006 and eventually became one of the pastors in 2011 where he has continued to serve his community in a variety of ways.

He received his Associates Degree in Computer Science from the University College of the Cayman Islands, his Bachelor of Science in Church Ministries with a double minor in Pastoral and Youth Ministry from Southeastern University in Lakeland, Florida, and his Doctor of Theology from Christian Life School of Theology.

Andrew and his wife Emily have been happily married since 2013, have two beautiful children, and await the birth of their third child in April 2023. They are committed to doing all that they can to teach the word of God, make disciples, and give the youth of the Cayman Islands a bright future and opportunities to grow to be all that God has made them to be.

Latavia Henry-Campbell – Staff Worker

Latavia Henry-Campbell is from St Ann, Jamaica. She is a graduate of St Hilda's High School, Knox Community College, and The University of the West Indies where she was actively involved in the campus student ministry groups, InterSchool/Universities and Colleges Christian Fellowship (ISCF and UCCF), serving in several leadership positions. She ascribes much of her development as a Christian and as a leader to the ministry and so she knew that she wanted to give back to the ministry. After completing her Bachelor's Degree in Pharmacology, she responded to God's call to student ministry and worked with ISCF Jamaica for almost 7 years.

On May 24, 2022, Latavia boarded Cayman Airlines from Kingston, Jamaica to partner with the Lord in kingdom building on the Cayman Islands. Her vision is to see:
1. Students saying YES to Jesus
2. Students engaging Scripture
3. Students growing in their relationship with Jesus and becoming little evangelists to their peers
4. A great revival in our schools!

DOCTRINAL BASIS OF THE MINISTRY

I believe in God the Father Almighty, Creator of heaven and earth.

I believe in Jesus Christ, His only Son, our Lord.

He was conceived by the power of the Holy Spirit and born of the Virgin Mary.

Under Pontius Pilate, He was crucified, died, and was buried.

He descended to the dead. On the third day he rose again.

He ascended into heaven and is seated at the right hand of the Father.

He will come again to judge the living and the dead.

I believe in the Holy Spirit, the holy Christian Church, the communion of saints,
the forgiveness of sins, the resurrection of the body, and the life everlasting in Jesus Christ, his only Son, our Lord.

The sovereignty of God in creation, revelation, redemption, and final judgement.

The divine inspiration and entire trustworthiness of Holy Scripture, as originally given, and its supreme authority in all matters of faith and conduct.

The universal sinfulness and guilt of all people since the Fall, rendering them subject to God's wrath and condemnation.

Redemption from the guilt, penalty, dominion, and pollution of sin, solely through the sacrificial death (as our Representative and Substitute) of the Lord Jesus Christ, the Incarnate Son of God.

The bodily resurrection of the Lord Jesus Christ from the dead and His ascension to the right hand of God the Father.

The presence and power of the Holy Spirit in the work of regeneration.

The justification of the sinner by the grace of God through faith alone.

The indwelling and work of the Holy Spirit in the believer.

The one Holy Universal Church which is the Body of Christ and to which all true believers belong. The expectation of the personal return of the Lord Jesus Christ.
