JOHN GRAY HIGH SCHOOL

The IS/IVCF group at John Gray High School, called the Focus club, is quite active and visible at the school. The main Sponsor, Pastor Cassius Feare, along with other Christian teachers, meet with the students every Wednesday during the lunch break, from 12:50pm-1:50pm. The meetings are held in Pastor Feare's room with approximately 15 members, but sometimes, the students meet in an open area near to the canteen which sees up to 80 students some weeks. Occasionally, some Christian teachers also gather in the open area for a time of prayer and worship during the lunch break as students gather around to listen or sing along. With the assistance from many volunteers from different churches, we were also able to share the Gospel with over 600 students across 60 tutorial groups this past year. Kindly help us pray that the Word will bring transformation in the lives of these students and teachers.

Kaily Donnegan

I joined the Focus Club in 2021. I first found the club while I was looking for a friend. Pastor Feare, the IS/IVCF sponsor, saw me and invited me. I accepted the invitation and kept going to the club after that day. After a few weeks, Pastor Feare introduced me to Ms. Latavia, who then invited the club members to an IS/IVCF event. I decided to attend and continued attending and volunteering at other events. What this organization means to me is that it encourages others with the Word of the Lord through actions and activities.

Jamahl O'Connor

"Hello everyone! My name is Jamahl O'Connor, and I will be telling you how I became a member of the Focus Club. I was a very active student and so I tried out the club because at the time, I had just gotten saved, and I thought it would really help me grow spiritually if I joined the club. So, I joined, and really enjoyed being around people who were excited and passionate about God and His Kingdom. As a result, I was able to try and truly build a relationship with God. At the Club, I learned that fellowship is very impactful in the process of spiritual growth as the bible says in Proverbs 27:17 "Iron sharpeneth iron, so a man sharpeneth the countenance of his friend." I would really like to share more about my experiences with others, as joining the club was something I won't ever regret."
